### Come Ye Sinners.

(The following is from the pen of a so-called lunatic at the hospital here, and will be of interest to some of our readers.)

Come ye sinners, poor and needy,  
Oh, I hope you won't forget;  
Come and pay me what you owe me  
For the Williamsburg Gazette.  
The printer's anxious to receive it,  
As he badly needs the chink;  
Every dollar brought, believe it,  
Is due for paper, type and ink.

The Gazette has one correspondent up the Peninsula who persists in writing editorials instead of news. Otherwise he is a most excellent scribe, and we hope he will take his space to write up the neighborhood events. We want the NEWS not views of our correspondents, for our readers are more interested in the former.

### NO REASON FOR IT.

When Williamsburg Citizens Show the Certain Way Out.

There can be no just reason why any reader of this will continue to suffer the tortures of an aching back, the annoyance of urinary disorders, the dangers of diabetes or of any kidney ills when relief is so near at hand and the most positive proof given that they can be cured. Read what a Williamsburg citizen says: James A. Banks, Main St., Williamsburg, Va., says: "I began using Doan's Kidney Pills some time ago and the results were highly satisfactory. I was troubled for a long while by pains across the small of my back, at times descending into my limbs. I also endured a great deal of misery from rheumatism and my kidneys did not perform their functions properly. I finally procured a box of Doan's Kidney Pills and since using them I have felt a great deal better. I am only too glad to give my name as an endorser of Doan's Kidney Pills, as I know them to be a reliable remedy."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York. Sole agents for the United States.

Remember the name—Doan's—and take no other.

## Toano Topics.

Branch Office The Gazette at Marston & Co's Store.

Toano, Va., March 23.—Dr. H. U. Stephenson has started the brick work on the Branch Store. This building will be two stories high. The lower floor will be used for a store while the second floor will be occupied by Dr. Stephenson for offices and there will be a lodge room also on this floor.

Marston & Co. are enlarging their store.

There is a project on foot to get the old railroad pump site, in order that water can be furnished to residents in town. This alone will be a great convenience, but there is another important factor in this proposed plan. That is, if Toano could have a water supply the rate of insurance would be materially reduced. It is hoped that this plan will be rushed to its ultimate success.

From the ring of hammers one would think that we are steadily growing. Why not grow? It is a known fact that if a place is not progressing it is surely going down hill, for there is no intermediate stage.

The "Elopement of Ellen" to be presented by the Toano Library Dramatic Club Thursday night. Besides a good play an excellent musical programme will be rendered by Miss Louise Dickinson, Mrs. D. Warren Marston, Messrs McMannaway and Gaddy. Don't fail to attend.

We hope the farmers around here will bear in mind to plant a variety of crops this year such as melons, peanuts, corn, etc., so that in case of loss on one they will have a chance to make on another.

Mrs. A. B. Cornell has returned from a pleasant stay with her mother at Scottsville, Va.

Miss Beck Marston, of Roxbury, was the guest of Mrs. J. E. White last Sunday.

### Ruins of Ancient Church.

Hampton, Va., March 23.—Jacob Heffelfinger, one of the best known antiquarians in Tidewater Virginia, has discovered what he feels certain is the foundation of the Church of Kecoughtan, which is said to have been erected here in 1612.

It is historically known that old Kecoughtan, who reigned supreme over the lower Virginia Peninsula during the early period of 1600, had the church erected so that his tribe could worship there. The discovery also further establishes the claim of local historians that the first church ever erected in Virginia was built here by King Kecoughtan.

## Holdcroft News.

Holdcroft, Va., March 22.—Again has the fishing season come to delight the hearts of the many citizens of this place who follow fishing as a means of livelihood. Shad are not plentiful but are as delicious as ever and selling away up yonder. It is reported that the mouth of the Chickahominy is practically closed with stationary seines and it is feared that this will prevent a large catch this year.

The ideal spring weather of the last ten days has given the farmers an opportunity to push their spring work, gardens are being planted and preparations for summer crops are much in evidence.

Special Easter services will be held at Mt. Pleasant church Sunday. The pastor Rev. B. F. Robinson, will preach on the Resurrection of our Lord. Special music for the occasion will be under the direction of Mr. J. W. Binns.

Mrs. R. E. Graves, who has been in Richmond for several weeks, is expected home today. Mrs. Graves is rapidly recovering from the effects of surgical treatment.

Mrs. R. E. Davis, of Ruthville, continues critically ill. Mr. A. W. Marable is also quite sick.

Pink-eye is very prevalent here.

Misses Margaret S. West, Bess E. Dennis, of this place, and Kate Woolfolk, of Binns' Hall, will attend the third district teachers meeting in Williamsburg Friday and Saturday of this week. All of these ladies have been assigned places on the programme.

Mr. C. H. Morecock and family, of Princess Anne, are here. Mrs. Morecock is under medical treatment.

Many visitors are expected here Easter.

Dr. H. U. Stephenson of Toano was a caller here Monday.

### Elope to North Carolina.

Miss Annie Charles, a young attendant at the Eastern State Hospital, and Mr. Willie Gilliam, son of Mr. Ben Gilliam, eloped to Elizabeth City, N. C., last week where they were married. The young lady is under age, and this caused the elopement. They will live in Roanoke where the bridegroom has a good position.

Mayor Warburton, in police court Tuesday night, tried two diminutive negro boys, Sam Brown and Ben Hudson, for stealing two hens from Tom Crump. They were found guilty, and being too young to send to jail, were ordered to be soundly whipped in the presence of the sergeant. It is said these boys hold the record for one night's robbery, having gotten the unlucky number, thirteen. Hen roosts have suffered this winter, but these are the first thieves yet convicted.

### Roxbury News.

Roxbury, Va., March 21.—The farmers are now busy and everything looks prosperous. The outlook is for an immense crop. There is more wheat to be harvested this year than ever known here before. The crop promises an abundant yield. Thousands of acres are now in Irish potatoes all over the Peninsula.

The Farmer's Institute car stopped here this morning with Commissioner Koiner, Gordon and others, who addressed a large crowd of farmers. In the crowd were many ladies who applauded the speakers often. Much good will result from this meeting. The Chesapeake and Ohio deserves much credit for what they are doing to build up the Peninsula. Only a few years will intervene before the whole section between Richmond and Newport News will be taken up by hustling farmers and truckers; waving fields of grain and trucks will be seen on every hand.

### Are You a Paint Maker?

You don't have to be one in order to mix your own paint when you have a house to paint. Its mighty easy to buy 4 gallons of L & M Paint, and 3 gallons of pure Linseed Oil, and put both in a large pail and mix well together. You will then make 7 gallons of the best paint at a cost of about \$1.30 per gallon and then have a good painter paint your house.

Sold by Lane & Christian, Williamsburg; H. M. Clements, Lee Hall.

## Senator Daniel Gaining Slowly.

Daytona, Fla., March 23.—A bulletin issued from the bedside of United States Senator Daniel, of Virginia, tonight indicates a slight improvement in his condition. The improvement is considerable as compared with the Senator's condition on Monday. He now lies in a state described as between marked coma and heavy sluggishness. The bulletin issued at 8:30 p. m., follows:

"Senator Daniel's condition this evening continues to show but little change. Such change as there is, however, is favorable, his speech being rather more distinct at times today than previously. He also keeps his eyes open more. Pulse, temperature, and nourishment still continue satisfactory."
